I. Welcome to UGA Paratransit Services

UGA Paratransit Services is a complimentary ADA paratransit service provided for individuals who, because of their disability, are unable to use UGA TPS’ fixed route bus service. This does not include disabilities that only make the use of accessible transit service difficult or inconvenient. UGA Paratransit Services provides comparable service to the regular fixed route bus in terms of shared rides, Curb-to-Curb pickup, service area, and hours and days of service.

Eligibility

UGA Paratransit Services provides rides for people who are certified as eligible for paratransit service under the rules of the Americans with Disabilities Act (ADA) as determined by the UGA Disability Resource Center. Eligibility for UGA Paratransit Services is open to persons in the following three categories:

1. Persons unable to navigate the fixed route system.

2. Persons who require a lift-equipped bus when the fixed route service does not provide accessibility.

3. Persons whose disability makes it impossible for them to travel to or from the nearest bus stop.

If you believe you have a physical or mental disability (including mobility or cognitive impairments), that prevents you from independently using lift-equipped accessible fixed route bus service, write or call for an application:

UGA Transportation and Parking Services
146 East Cloverhurst Avenue
West Parking Deck – Fifth Level
Athens, GA 30605
706-369-5991
vans@uga.edu

Contact us if you need an application in an alternative format or require in-person telephone assistance to complete your application.
Within 21 days of receiving your application, the Disability Resource Center will arrange a face-to-face interview for you. Some individuals may be asked to undergo a functional assessment to verify mobility limitations. It may be determined, based on your abilities, that you are eligible for some rides but not for others, or it may be determined that you are capable of using UGA Transportation and Parking Services equipped fixed route bus service. All application information will be kept confidential.

If you need transportation to the interview, UGA Paratransit Services will pick you up and return you to your point of origin free of charge.

III. Scheduling a Ride

You must call (706-369-5991) or email (vans@uga.edu) to make a reservation. You can arrange a trip up to 5:00 p.m. the day before you travel. Scheduling is done on a first-come, first-serve basis. When calling or emailing to reserve a ride, have the following information ready:

- Your first and last name
- Date when you want to travel
- Pick-up address: number, street, apartment number, city, zip code
- Your requested pickup or drop off time
- Your requested return time if you want a round trip
- Where you want to go: number, street, suite number, city, zip code
- If you will be bringing a service animal
- If you will be accompanied by a personal care attendant (PCA) and/or companion (including children)
- Any other information the driver should know to assist with your travel needs

Helpful Hints:

Because of the demand, the more advanced notice you can give (7-14 days in advance), the more likely you are to get the ride you need. You may be asked to change your requested pickup time to accommodate your request for a reservation. The ADA allows us to negotiate a revised pickup with you that may be up to one hour before or after your requested pickup time.

The reservation telephone line is busiest in the morning hours; if possible, call after 11:00 a.m. Trip demand is heaviest between 7:30 – 10:00 a.m. and 1:30 - 4:00 p.m. Try to schedule your trips outside these times, if possible, to increase the likelihood your ride request can be better accommodated.
Companions and Personal Care Assistants

As a certified rider you may arrange to bring one A Personal Care Assistant (PCA) is someone whose assistance you must have in order to ride para-transit. As a certified rider needing assistance, the PCA may ride with you at no charge. Your PCA and companion may both ride with you on the same trip. When making reservations for your ride, please tell the dispatcher if a companion or Personal Care Assistant will be riding with you.

Cancellations

To cancel trips, call the reservation line and speak to the dispatcher or send an email (vans@uga.edu). Cancellations can be left on an automated recorder that is turned on 24 hours a day. Please remember to cancel trips you cannot use as soon as possible or at least one hour before your pickup times. This will help free up space for others to ride and keep program costs down.

Call (706-369-5991) or email (vans@uga.edu) to cancel a ride.

No-Show – Definitions and Penalties

You will be considered a “no-show” if you:

• Reserve a ride but do not meet the vehicle within 3 minutes of its arrival.
• Call to cancel a trip less than one hour before the scheduled pick-up time.

If you are a “no-show” for a trip and we are unable to contact you, any subsequent trips scheduled for the same day will be canceled unless we hear from you.

If you “no-show” three (3) times in six (6) months you may be suspended:

• 1st time – 1 week suspension and lose your subscription ride privileges.
• 2nd time – 2 week suspension.
• 3rd time – 30 day suspension.

NOTE: If a passenger cannot use a scheduled trip, the trip will be
counted as a “Canceled” and will not be counted as a “No Show”.

**Subscription Service**

If you travel to and from the same destination at the same time and day at least two times a week, you may request to use UGA Paratransit Services’ subscription service. This service allows riders to make regular trips without telephoning in for reservations or to confirm rides. Subscription riders need only to call to cancel their ride. A change in time, origination, or destination may change your eligibility for a subscription ride.

Under certain conditions, you may discontinue subscription service for a prearranged, specific period of time and may return to subscription service without penalty following the absence. Subscription service may be temporarily discontinued for reasons such as illness, vacation, or school break.

Subscription service is limited in accordance with the Americans with Disabilities Act, which states that not more than 50% of the rides at any hour of any day may be subscription rides.

*There may be a waiting list for subscription rides.*

**IV. Riding UGA Paratransit Services**

**Pickup and Drop Off**

You can expect to be picked up within a 30-minute “window” of your scheduled pick up time. You should be ready to board the vehicle at the beginning of your “Pickup Window”.

<table>
<thead>
<tr>
<th>15 minutes before</th>
<th>15 minutes after</th>
</tr>
</thead>
<tbody>
<tr>
<td>Pickup time</td>
<td></td>
</tr>
</tbody>
</table>

A paratransit vehicle arriving any time within the pickup window will wait up to 3 minutes for the passenger. It is important to remember that buses arriving within 15 minutes before or 15 minutes after the
scheduled pickup time are considered on time and within the time window. Should a vehicle arrive early (before the 30 minute pickup window), you are not required to board until 15 minutes before the scheduled time (at the beginning of the pickup window).

You will not be considered a “no-show” if you refuse a ride that arrives later than the 30-minute window.

**Boarding with a Mobility Device**

*All vehicles are equipped with passenger lifts that meet ADA specifications.* Lifts will only accommodate mobility devices such as wheelchairs and three wheel scooters up to 48” by 30” with a total weight up to 600 pounds, including the passenger. Mobility devices that exceed these standards may not be transportable.

- If you need a ramp to board a vehicle, the driver will assist you. All drivers are trained to operate the ramp.
- If needed, you may also board the vehicle while standing on the lift.
- For your safety, please make sure your wheelchair or other mobility device is maintained in accordance to manufacturer’s specifications.

**Transporting Packages**

Because the vehicle will be shared, riders should limit their parcels to one armload or the equivalent of 2 grocery bags. Packages must be transported on your lap or under the seat. Drivers must adhere to a schedule and can not assist with packages. For the safety of all riders, you may not transport explosives, acids, flammable liquids, or other hazardous materials.

**Transporting Life-Support Equipment**

You may bring a respirator, portable oxygen, and/or other life-support equipment as long as it does not violate laws or rules related to transportation of hazardous materials and will fit in the paratransit vehicle.

**Transporting Children**

ADA certified children ages six 13 and over may travel without an accompanying adult only if it can be demonstrated they would be able,
if not prevented by their disability, to use public transportation independently. Children ages four (4) and under or children under forty (40) pounds must be secured in a child safety seat provided by an accompanying adult. Passengers must provide the child safety seat.

**Transporting Animals**

You may travel with a service animal such as a guide dog or canine companion. You should tell the dispatcher when you reserve trips that you will be traveling with a service animal. Pets and other non-service animals may be transported only in a properly secured cage or container.

**Out-of-Area Visitor Riding Privileges**

Athens Transit can provide 21 days of service for ADA-certified persons with disabilities who are visiting from outside the Athens, Georgia area. Call Athens Transit for further information.

However, UGA Paratransit may require you to travel with a Personal Care Assistant (PCA). If your PCA cannot help you to control your behavior, and/or a safety problem continues to exist, your service may be disallowed.

**VII. The Appeals Process**
